We are pleased to inform you that your company has been accepted into the Small, Local Business Enterprise (SLBE) Program. We join you in celebrating this accomplishment in developing your business with WSSC Water and we continue to encourage the inclusion of Small, Local Businesses on contracting with the Commission. Please note, this registration is valid for a period of two years from your acceptance date. It will be your responsibility to keep track of this date and resubmit an application for re-approval before it expires. You will also be required to submit a copy of this letter when responding to any WSSC Water proposal.

All firms interested in doing business with WSSC Water must have an active profile in the Portal at the time of bid submittal. By keeping your registration up to date, you will be notified of upcoming contracts based upon your specified North American Industry Classification System (NAICS) Codes that you selected on your application.

You must report any changes to your company's financial status immediately by sending an email to: SLBEProgram@wsscwater.com. In additional, all general updates to your company's profile can be made by logging into your Supplier Portal account and selecting the WSSC Supplier Profile & User Manager tab, then select *General*.
